

How to purchase an online permit through ePermitting as a homeowner

Visit BuildingPermits.Oregon.gov

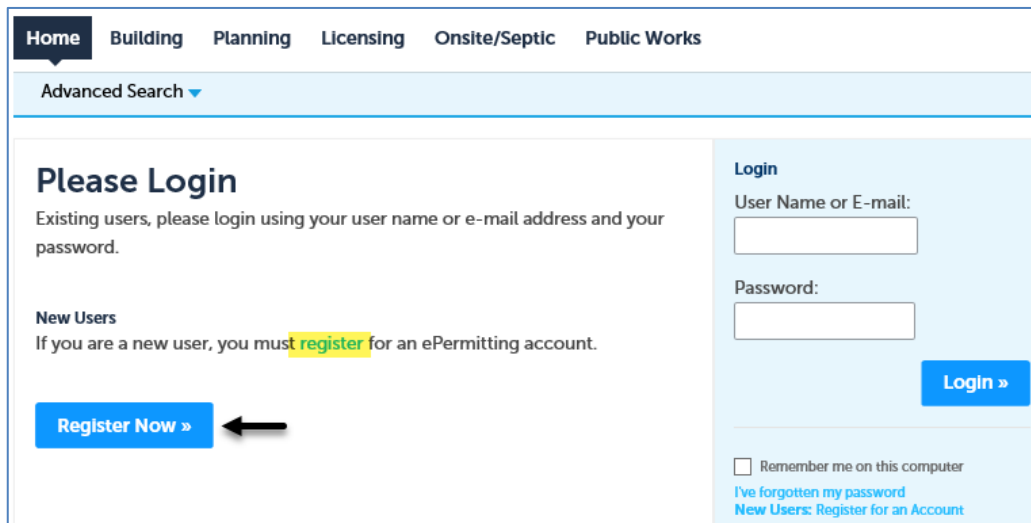

**** Note:** if you have already registered for an account, skip to page 5 of this document.

Step 1 - Register and create an account.

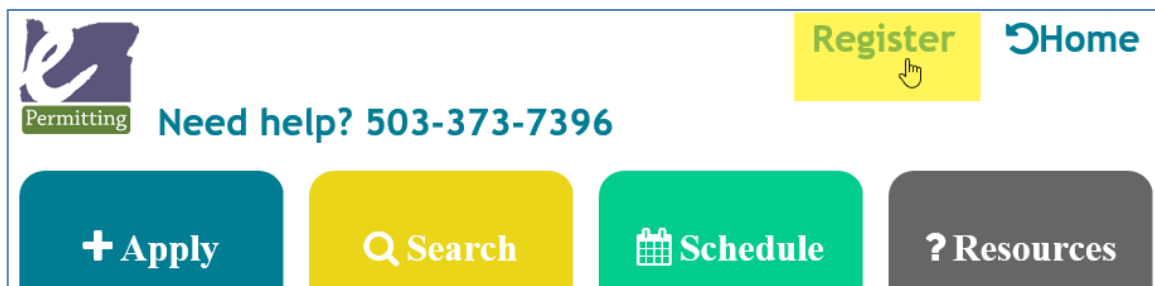

This is required to apply for permits online.

How to register

1. Click on the “**Register Now**” button or at the top of the website.

The screenshot shows the top navigation bar with links: Home, Building, Planning, Licensing, Onsite/Septic, and Public Works. Below the navigation bar is an 'Advanced Search' dropdown. The main content area is titled 'Please Login' and includes instructions for existing users. A 'New Users' section states that new users must register. A blue 'Register Now >' button is highlighted with a black arrow. To the right is a 'Login' section with input fields for 'User Name or E-mail' and 'Password', and a 'Login >' button. At the bottom of the login section are links for 'Remember me on this computer', 'I've forgotten my password', and 'New Users: Register for an Account'.

The screenshot shows the footer of the ePermitting website. It includes the ePermitting logo, a phone number 'Need help? 503-373-7396', and a 'Register' button with a hand cursor icon. Below these are four large buttons: '+ Apply' (blue), 'Q Search' (yellow), 'Schedule' (green), and '? Resources' (grey). A 'Home' link with a circular arrow icon is also present.

ONLINE PURCHASING TERMS AND CONDITIONS

There are various legal requirements for homeowners doing work on their own residences, including that an “owner” shall be a natural person and not a business entity such as a corporation or partnership. For many types of work, the property must be owned by the person doing the work, or a member of the person’s immediate family, and the property must not be intended for sale, exchange, lease or rent. By accepting the terms and conditions, you are agreeing to abide by all applicable laws including but not limited to the specific laws governing homeowner installations. ORS 701.010 (structural and
