Hello,

Below is an email that was submitted for the subdivision project. There are pictures attached.

If you have any questions, please let me know.

Thank you,

Subject: Sunset hills

The attached are photos of water coming down from hilltop on Fernwood The area is adjacent to the emergency exit from the hospital.

This is not an unusual amount and is often more.

In addition to the emergency exit for sunami Broadway off hilltop is the only exit from the hill.

This area cannot take additional water run off, or increased traffic.

I agree with all of my neighbors that this request is not well thought out, and additional use of road and utilities will not be in the best interest of the Sunset Hills community.
