Council Goal Setting involving Public Works

Watershed Management Plan

Updated Parks Master Plan

Sewer Department & Wastewater Treatment Facility

New additions to the Treatment Facility

Safety Platforms & Air Filter System

Preserving Seaside History – Seaside Promenade Restoration

Restoration of Seaside's Bronze Plaques – Matt Long project

Street Department – Matt Long – the most photographed sign in Seaside

Evergreen Cemetery – Jeremy Strimple hydro seeding

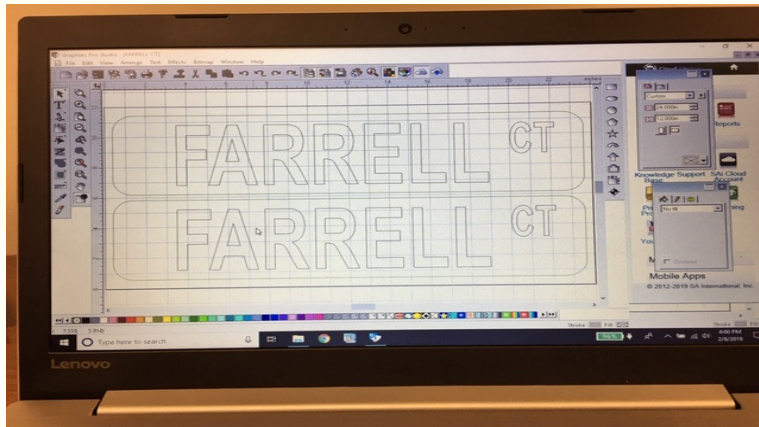

Refurbishing Street Lighting – Steven Keever project

Broadway Electrical (Streetlights)

Street Signage – Nate Kerwin project

Multi-purpose Truck

Tony Biamont

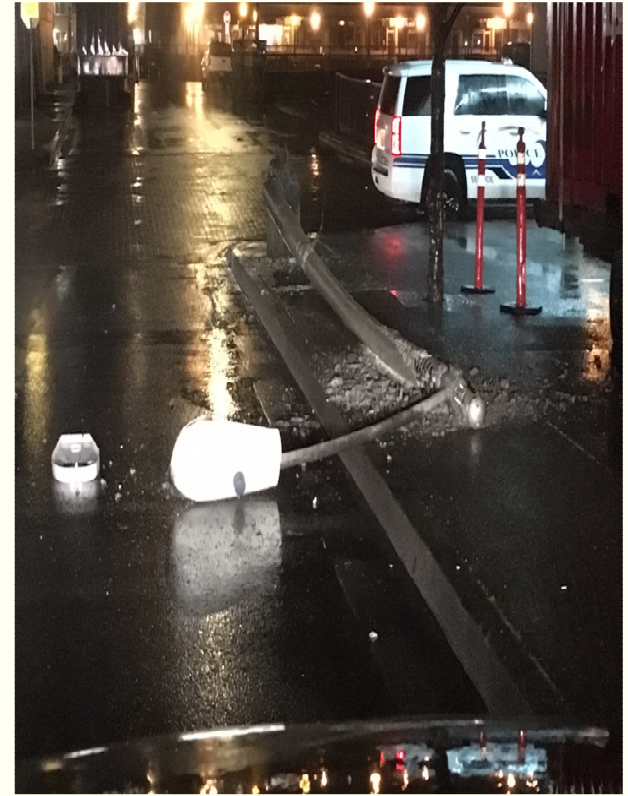

We converted out 2009 Peterbilt
Sludge Truck.....

Into a “Hook Truck” to
accommodate a 15 cubic yard
Gravel Box, a 20 cubic yard
Dumpster Box and an 18’ long
Flatbed Truck

All three Departments, Sewer,
Water and Street Departments
can now optimize the use of this
multipurpose truck.
