# **Brian's two cents:**

During the next two months, our building will host some of my favorite events that I look forward to. These events, I believe, demonstrate how important this building is to our community. There is something for everyone, from Iron Chef to Almost New Year's Roundup. The size and audience of each event vary, but they are all vital to both the business community and the residential community as a whole.

Our crew focuses on deep cleaning and light maintenance during November and December, such as paint touch-ups, carpet care, and moving parts inspections. Among the noteworthy projects will be installing a door into a storage area for better access and replacing the black kick strip on the mezzanine level with porch paint. It will benefit the building's aesthetics and keep our employees safe to have each of these projects completed. By increasing storage access, we will be able to move from event to event with greater flexibility.

We look forward to seeing you at one or more of our upcoming events over the holiday season.

# Q12

Were there members of our team who provided exceptional customer service?

All of the event staff guys are a treat to work with. I want to specifically shout out Jon this year. We had a situation where one of our students was having a hard emotional moment during the conference because of the death of someone close to them. He helped us find a quiet space for them to grieve and feel their emotions in the moment and then came back around the following day to check in to see if the kiddo was alright. That type of community concern for our students and us as clients is so powerful and I am so thankful to him for being thoughtful in such a way. The whole team portrays this type of value for the people who cross your front doors. Thank you!

Tina Eilers From: Allie Kloster <allie@coastwildlife.org> Sent: Wednesday, November 1, 2023 3:30 PM To: Celeste Kenneally; Tina Eilers Subject: Following up / Founders Night Hello Celeste and Tinal I wanted to take a moment to follow-up after the Founders Event and pass along a sincere THANK YOU! Our event was well-attended and well-received by guests. Celeste made the planning very easy and was accommodating to our needs. I really appreciate your support answering questions and helping make things happen! (The lighting on the stage was one of my favorite elements!! It was a blue/almost ombre to green and looked stunning! The little details really make the difference. We also got compliments on the fun wavy table for the silent auction!) The sound/tech crew was very knowledgeable and helpful and I saw them helping out all around. Overall, the entire staff was a pleasure to work with. I just wanted to send this genuine thank you for helping make our event a success. Have a great week -Sincerely. Allie K.

Jennifer,

10/27/23

Thank you so much for your assistance last Wednesday, during our conference. I was very anxious, flustered, and even feet panicked trying to fix our nametags issues. Your help was much appreciated and I am very grateful.

Blessings to you, Kelsie & The Northwest District
