NEWS RELEASE

Avenue G Bridge Closed Due to Construction

SEASIDE, Ore. – July 11, 2023 – Avenue G between S. Holladay and S. Franklin streets, including the bridge, will be closed starting Wednesday, July 12, to all traffic for construction related to the ongoing Oregon Department of Transportation improvement project on US Highway 101 in Seaside. The bridge closure includes pedestrian traffic and is estimated to remain in place until July 26, approximately two weeks.

Crews from Big River Construction will install and connect an outfall pipe and storm drain during the closure. Traffic along Holladay should not be affected. Access to the west side of the Necanicum River will be available via bridges at Avenue U, Avenue B, Broadway, 1st Avenue, and 12th Avenue while the required work is being done. Local access to businesses and residences on the east side of the closure area will be provided.
