NEWS RELEASE

Police Investigate Suspicious Death

SEASIDE, Ore. – February 23, 2023 – The Seaside Police Department received a report of a possible missing person – Anna Knutson, 62, of Seaside - at approximately 7:50 a.m. on Wednesday, Feb. 22, 2023. Officers spoke with a roommate at Knutson’s residence who reported not seeing her for a couple days which, they said, was not normal.

Information obtained from the roommate and Knutson’s family members led officers to a Seaside residence where Knutson worked as a housekeeper. Upon arrival, officers were unable to make contact with anyone initially and later gained entry with the assistance of the homeowner.

Officers entered the residence and found Knutson deceased. The death is under investigation and an autopsy to determine cause and manner of death is scheduled within days.

Anyone with information related to the case is asked to contact Detective Crowe of the Seaside Police Department at (503) 738-6311.
