and Kiwanis Lt. Governor Tracy MacDonald participated in  
Ginkgo Tree Planting at Cartwright Park

# Tree City U.S.A. – 24 years and counting

**TREE CITY USA®**

## PROGRAM HISTORY

Started in 1976, Tree City USA is one of the Arbor Day Foundation's oldest programs. Our founders had a vision for a greener, healthier America, and hoped this initiative would inspire change on a nationwide level.

The first Tree City USA cohort was comprised of 42 communities in 16 states. Today, the program includes more than 3,600 communities from all 50 states, Washington D.C., and Puerto Rico.

We've seen a lot of change over the years — but our participants' passion for trees has remained the same.

Our story isn't over. We hope to continue growing our network, city by city, until every American can live in a Tree City USA community.

3,676 RECOGNIZED CITIES      \$1,455,188,121 INVESTED IN URBAN FORESTRY

749,568 TREES PLANTED

# Tsunami Awareness – includes planning for you AND your pets

Wayfinding signs were funded by a grant thru DOGAMI (Dept of Geology and Mineral Industries). 23 new signs were placed in residential areas north and south of Broadway. Portable Changeable Message Board Signs at each end of town are updated as events unfold to keep the public informed.

# Water Statistics

**Residential Water Customers: 3,339**

**Commercial Water Customers: 443**

**Water Storage Capacity: 8,000,000 gallons**

**Total Water Treated: 547,508,000 gallons**

# Wastewater Statistics

**Wastewater Processed 606,002,000 gallons**

**Solids produced 149.44 tons**

## Upgraded Equipment 2021

# Seaside Municipal Airport Improvements

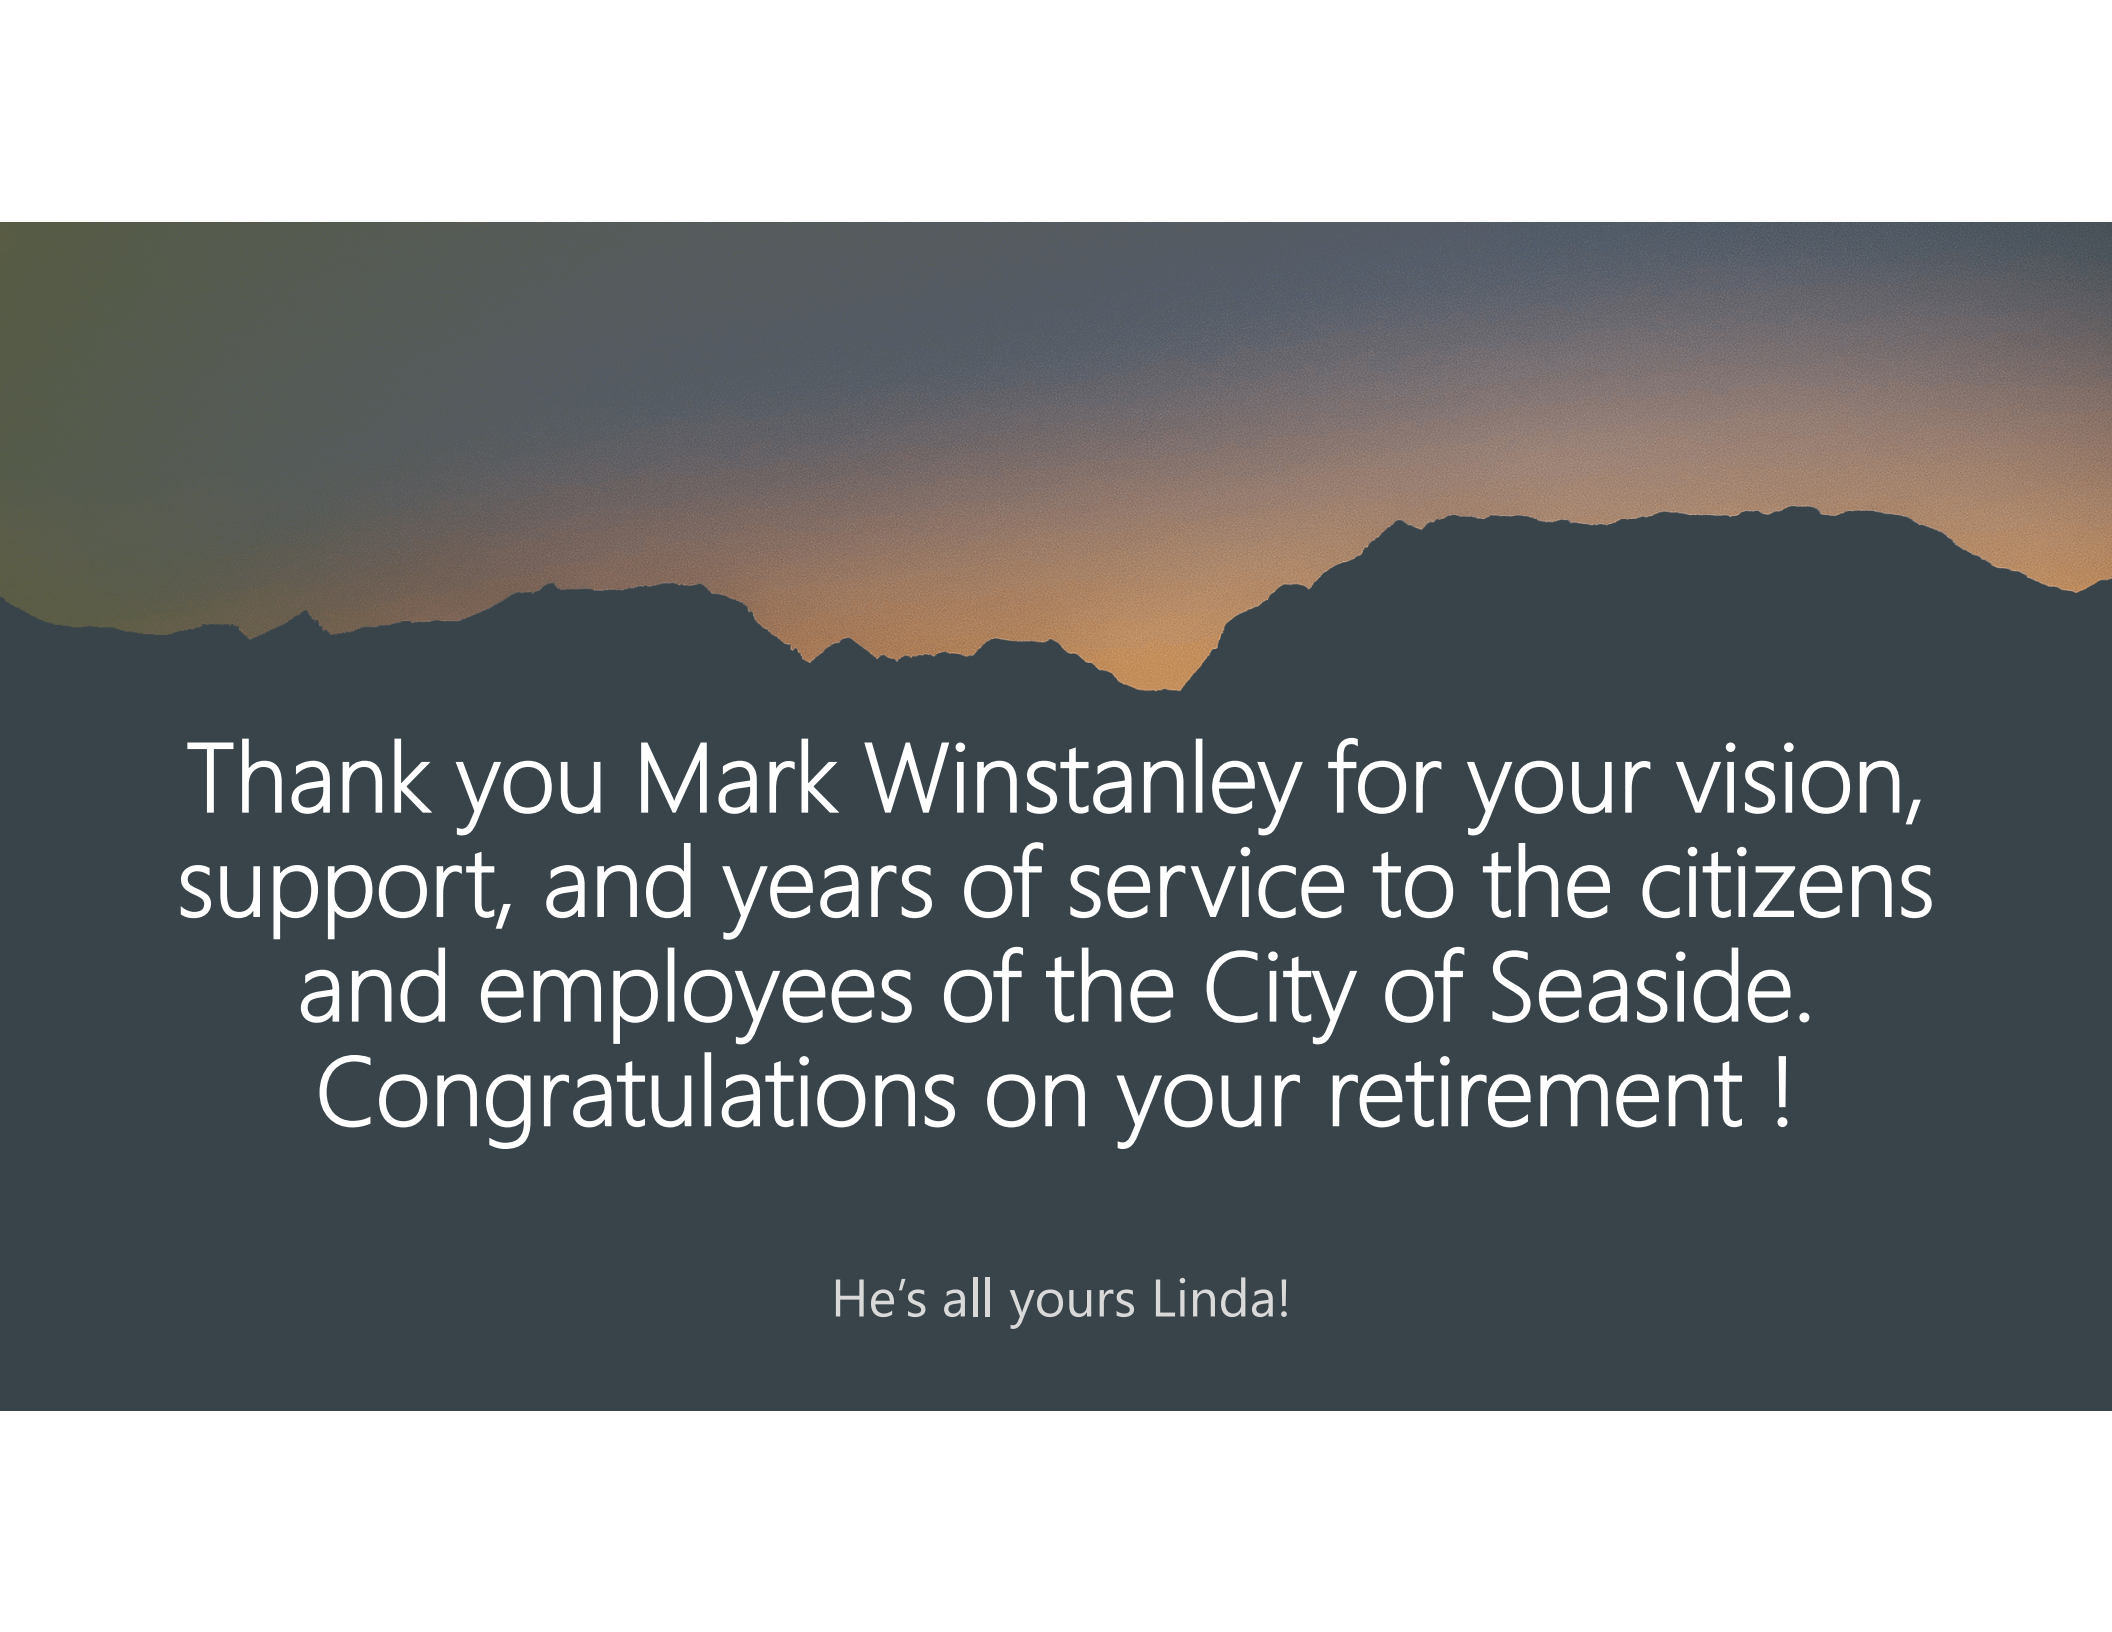

## New Bike Shed

**Pilots provide Bicycles and Helmets to enable “flying” visitors a mode of transportation. Visitor Guides and Maps of the area are available to visitors in the bike shed.**

**Our Airport has seen an uptick in Overnight stays, day visits, shopping and dining excursions.**

**The Airport Committee is very active in promoting the Seaside Municipal Airport (56S)**

The background of the slide features a silhouette of a mountain range against a sunset sky. The sky transitions from a dark blue at the top to a warm orange and yellow near the horizon, which is partially obscured by the dark, jagged peaks of the mountains.

Thank you Mark Winstanley for your vision,  
support, and years of service to the citizens  
and employees of the City of Seaside.  
Congratulations on your retirement !

He's all yours Linda!
