Electronic Meeting Rules, Conditions, and Terms of Participation

Zoom Participation

If you wish to provide public comment via Zoom, please submit your request to speak by noon, the day of the meeting, to publiccomment@cityofseaside.us or via this web form. Please include the name that appears on your Zoom account (you must register to use this method) and the subject of the public comment.

You will not be allowed to participate in this meeting if you do not provide all the requested information or if you provide fake or fraudulent information.

To make a public comment through the Zoom link, the device you use to access the link must have a microphone. When logging into the meeting, please ensure the name listed on the attendee list is the name you submitted. It is also helpful for you to "raise your hand" on the Zoom software to indicate you are there to make a public comment so your name will rise to the top of the attendees list. The Zoom link may be found on the agenda page of our website. Testimony through the Zoom web conference will be limited to three (3) minutes. You are encouraged to test your connection ahead of time. You can use the "test" page with Zoom beforehand. <https://zoom.us/test>
