

Vacation Rental Fire Pit Guidelines

Your vacation rental is equipped with a fire pit and we ask that you please follow some simple guidelines while enjoying this amenity. Please be mindful of your neighbors and be aware that sound carries a lot farther at night.

HOURS OF USE: 8:00AM- 9:00 PM

The fire pit cannot be used during a county wide burn ban. Please check www.seasidefire.com for any current fire restrictions.

Please only use the fire pit when winds are calm.

Please avoid creating excess noise that might disturb your neighbors.

Please keep flames low and away from other combustibles.

Children must be supervised at all times by their parents or a trusted adult.

Please only burn clean dry wood. Please do not burn trash, plastics, or other materials that may create an unpleasant odor or excess smoke.

Please have a hose available at all times and make sure the fire is completely out before you leave the fire pit.

Please be mindful of excess smoke and the potential impact it may have on your neighbors.
