

Vacation Rental Hot Tub Guidelines

Your vacation rental is equipped with a hot tub and we ask that you please follow some simple guidelines while enjoying this amenity. Please be mindful of your neighbors and be aware that sound carries a lot more at night. Please remember your voice tends to be louder when attempting to talk over the sound of the hot tub's jets and pumps.

HOURS OF USE: 8:00AM- 9:00 PM

-  Please shower prior to using the hot tub.
-  Please enter and exit the hot tub slowly.
-  To maintain a safe and sanitary environment we ask that you please do not bring glass, food, or drinks in or near the hot tub.
-  Elderly persons, pregnant women, anyone with heart disease, diabetes, high or low blood pressure or any serious illness should consult with their doctor before entering a hot tub.
-  Children must be supervised at all times by their parents or a trusted adult.
-  Please no pets of any kind in the hot tub.
-  Please make sure the hot tub is at a safe temperature prior to getting in. Do not use if the temperature is over 104°f.
-  Be sure to turn off the jets, replace the cover, and lock the lid after each use.
